Virtual Knight Event

NOVEMBER 20, 2020

Welcome to A Knight on the Green

Greetings!

It is with great excitement that we welcome you to the 27th Annual Archbishop Bergan Knight Event. While “A Knight on the Green” will seem a little different this year, we are thankful to have you join us virtually. We are still planning a “Knight” filled with delightful treats, wonderful opportunities to make a difference and what we hope is a truly incredible community connection through our live stream. Your support of our school allows us to grow together and provide the best education possible. With warm hearts, everyone that has shared their efforts to make this “Knight” possible, welcomes you.

We hope you
enjoy your evening!

Dear Friends,

Welcome to Knight Event 2020: A Knight on the Green! This is the 27th year that Archbishop Bergan Catholic School has sponsored this wonderful event and the first year we have done so virtually. This event is always an extraordinary evening. It only happens due to the time, talent, and treasure provided by so many individuals. The revenue that this evening provides directly impacts the budget and bottom line at Archbishop Bergan Catholic School each and every year. The Knight Event along with the Bergan Fund are the two largest forms of revenue that allows us to educate the future generation of Christ’s disciples. Thank you for making the commitment to share your gifts with our students.

As disciples of Christ we are commissioned with an important task. We have been sent on mission into the world to reveal the truth of God’s unconditional love for us, and thereby lead it back to the Shepherd. What an awesome invitation Jesus has extended to us! He has asked us to share in His mission to make the Father visible to all the nations. Activities such as The Knight Event allows us to accomplish the mission that Jesus has created for us. Our Catholic school is truly building Jesus’s disciples each and every day. We are instilling a passion, as exemplified by Christ, for faith, knowledge, and service in our students. Our students are achieving great things in the classroom through the guidance of an exceptional staff. The extracurricular activities program is experiencing remarkable successes every day through student participation and triumphs. God’s grace is truly present in the midst of the education that our students are experiencing every day.

I would like to personally thank you for participating in this special evening. Of course, it will look different this year due to the pandemic. However, because of your generosity despite us not being able to gather socially this year, we will continue to be able to build a stronger faith community and to provide a quality Catholic education through Archbishop Bergan Catholic School. I am very confident that the great things that God has begun in our homes and in our community will continue to bear abundant fruit.

May God bless you and your families, and may He continue to watch over all of His people and fill us with His peace.

In Christ,

Rev. Walter L. Nolte

Rev. Walter Nolte
Ad Jesum Per Mariam,

President, Archbishop Bergan Catholic School

Bergan Family,

On behalf of the students and staff at Archbishop Bergan Catholic School, I want to welcome you to the 2020 Knight Event: A Knight on the Green. The Archbishop Bergan Catholic School Family optimistically looks forward to this event every year. Obviously this event is a little different than usual as the pandemic has forced us to modify our celebration to a virtual event. Nonetheless, we still hope to provide you with an entertaining evening that provides much needed financial resources for Archbishop Bergan Catholic School.

The Knight Event would not take place without the efforts of many volunteers that have given their time, talents, and treasure in order to ensure the success of this night. We are grateful for the efforts of the Knight Event Committee as they have given a number of hours fine tuning all of the details that make this evening possible. Thank you to all of the volunteers as well as the individuals and businesses that provided underwriting and donations to the Knight Event. The donations and gifts provided to this event create much needed revenue that directly impacts the budget and bottom line at Archbishop Bergan Catholic School.

In addition to the financial impact this evening provides, the Knight Event also serves another purpose. This evening allows us to bring our school family together to celebrate the achievements that we have experienced. Our Catholic school is truly building Jesus's disciples each and every day. We are instilling a passion, as exemplified by Christ, for faith, knowledge, and service in our students. Our students are achieving great things in the classroom through the guidance of an exceptional staff. The extracurricular activities program is experiencing remarkable successes every day through student participation and accomplishments. It truly is a great time to be a Bergan Knight!

As we reflect on the challenges as well as our successes, let us be thankful to God for His gifts. Let us look forward to the future of our school with optimism, knowing that God will provide. May we celebrate our accomplishments and give thanks to God. Thank you from the bottom of my heart for all that you do to support Archbishop Bergan Catholic School. We truly are blessed.

In His service,

Dan Koenig

NOTES

SPECIAL THANKS

There are certain people in our lives who just make the world a better place. They give us hope and raise our spirits simply by being the kind of people they are. Some people stand up and champion a cause, or provide the spark, or defy the odds, or do the right thing simply because it's right.

They don't really worry about fame or acclaim, they just think about being good friends, good neighbors, and good people. We don't say it often enough, but we are grateful to have these people in our lives.

THANK YOU. FOR BEING YOU!
