ARCHBISHOP BERGAN CATHOLIC SCHOOL

Welcome to
A Knight in Oz

Greetings!

It is with great excitement that we welcome you to the 28th Annual Archbishop Bergan Knight Event. “A Knight in Oz” is filled with delightful treats, wonderful opportunities to make a difference and a truly incredible community connection both in person and through our live stream. Your support of our school allows us to grow together and provide our students the best education possible. With warm hearts, everyone that has shared their efforts to make this “Knight” possible warmly welcomes you.

We hope you
enjoy your evening!

Dear Friends,

Welcome to **Knight Event 2021: A Knight in Oz!** This is the 28th year that Archbishop Bergan Catholic School has sponsored this wonderful event and the first year we will have a hybrid event gathering patrons both physically and virtually. This event is always an extraordinary evening. It only happens due to the time, talent, and treasure provided by so many individuals. The revenue that this evening provides directly impacts the budget and bottom line at Archbishop Bergan Catholic School each and every year. The Knight Event along with the Bergan Fund are the two largest forms of revenue that allow us to educate the future generation of Christ's disciples. Thank you for making the commitment to share your gifts with our students.

As disciples of Christ, we are commissioned with an important task. We have been sent on a mission into the world to reveal the truth of God's unconditional love for us, and thereby lead it back to the Shepherd. What an awesome invitation Jesus has extended to us! He has asked us to share in His mission to make the Father visible to all nations. Activities such as The Knight Event allow us to accomplish the mission that Jesus has created for us. Our Catholic school is truly building Jesus's disciples each and every day. We are instilling a passion, as exemplified by Christ, for faith, knowledge, and service in our students. Our students are achieving great things in the classroom through the guidance of an exceptional staff. The extracurricular activities program is experiencing remarkable successes every day through student participation and triumphs. God's grace is truly present in the midst of the education that our students are experiencing every day.

I would like to personally thank you for participating in this special evening. Because of your generosity, we will continue to build a stronger faith community and to provide a quality Catholic education through Archbishop Bergan Catholic School. I am very confident that the great things that God has begun in our homes and in our community will continue to bear abundant fruit. The dream of a brighter tomorrow, with the clouds of the pandemic far behind us will, by the grace of God, soon be far behind us. The more we can come together in person and in spirit, the more we will grow stronger as a community of faith, hope, and love. Your generosity is a participation in the covenantal promise of God to never leave us and to always provide for us. God accomplishes His great work of generosity in the world through our minds, our hearts, and our beings united to His.

May God bless you and your families, and may He continue to watch over all of His people and fill us with His peace. May you be a sign to the world of His abundant love and faithfulness to His promises.

In Christ,

Rev. Walter L Nolte

Rev. Walter Nolte

Ad Jesum Per Mariam,

Pastor, Saint Patrick Parish & Archbishop Bergan Catholic School

Bergan Family,

Welcome to the 2021 Knight Event, “A Knight in Oz.” What a great opportunity we all share this evening to support the mission of Archbishop Bergan Catholic School to instill a passion, as exemplified by Jesus, for faith, knowledge and service. On behalf of the staff at Bergan Catholic, thank you for investing your time and treasure into our school system. You truly are making a difference through your donations as every dollar raised goes toward providing a positive educational impact on the students enrolled at Bergan. Thank you for making a difference in our students’ lives.

Each year we come together to celebrate the Knight Event as a community. I am humbled by the outpouring of support that the Bergan families, Alumni and the greater Fremont community provides through their support of this event. Tonight as we gather, there are so many different people who have given varying levels of support to our school. All of these individuals come from different backgrounds, but believe in our mission enough to attend this important fundraiser. In a time in which many other non-profit organizations need your support, we are honored that you have chosen to place your financial contributions in the hands of our capable staff.

As we continue to navigate through turbulent times, we will continue to need your support. The time, talents, and treasure of our entire community will need to continue to be shared to make ends meet. As a nonprofit organization that educates young people, we save the taxpayers of Fremont millions of dollars each year by educating nearly five hundred students in our Preschool through Twelfth grade educational program. Without a tax base of revenue supporting our school, the only income we experience is through tuition and financial contributions. Thank you in advance for your continued support of allowing us to educate young people in a Christ-centered environment.

We hope that this evening provides you with an opportunity to learn more about our Archbishop Bergan Catholic School and our mission. May this night also provide you with a chance to meet new friends, grow closer as a community and have a lot of fun. As you leave this evening, please ask yourself how you can continue to assist us in accomplishing our mission by supporting us in improving the faith, knowledge and service opportunities for the students at Archbishop Bergan Catholic School.

God Bless,

Dan L. Koenig
Principal, Archbishop Bergan Catholic School

There are certain people in our lives who just make the world a better place. They give us hope and raise our spirits simply by being the kind of people they are. Some people stand up and champion a cause, or provide the spark, or defy the odds, or do the right thing simply because it's right.

They don't really worry about fame or acclaim, they just think about being good friends, good neighbors, and good people. We don't say it often enough, but we are grateful to have these people in our lives.

Thank You. For Being You!
