

**2020-21 NSAA Spring Season Guidelines Effective: March 1, 2021
& Wayne Community Schools Requirements for COVID-19**

The NSAA is requiring the following of schools, officials and spectators for all spring season contests:

- Active participants are permitted, but not required, to wear face coverings during competition/performance.
- Spectators are required to wear face coverings for entrance to all activities.
- Face coverings may be removed if outside and 6 feet of physical distance can be maintained. Face coverings must cover the nose and mouth.
- Face coverings are no longer required in the City of Wayne, but are strongly recommended. Please ask your fans to respect all athletes and not interact with them when not wearing a mask and to wear them over both the nose and mouth when not socially distanced even outdoors.
- Coaches and non-active participants are to wear face coverings at all times when not competing and cannot socially distance.
- The infield will be available for coaches and athletes warming up for events. We would ask that those not competing stay away from the finish line and not congregate in large groups on the infield. Again masks will be required on the infield as well.
- Restroom facilities are available at the track and masks must be worn while in the facility.
- A concessions area will be available. **EVERYONE IS REQUIRED TO WEAR MASKS WHILE WAITING IN LINE, WHILE ORDERING, AND WHEN LEAVING THAT AREA.** Once distanced, they may remove masks for eating purposes.
- Meet officials and workers at events will be wearing masks.
- Disinfectants will be available at the events. Please disinfect implements upon arriving.
